1. GENERAL

1.1. Governance

1.1.1. General

1.1.1.1. The Rules govern the Indy Lights Series and supersede all previous Rules, bulletins and supplementary Rules and regulations, unless otherwise indicated. Capitalized terms used in the Rules have the meanings set forth in Rule 19, Glossary.

1.1.1.2. If the Rules do not expressly permit a variation, then the Member shall presume that such variation is not permitted. If a Member is uncertain if an act and/or part violates a Rule, the burden is on the Member to receive pre-approval in writing from INDYCAR. For this purpose, e-mails are not written approval unless otherwise expressly permitted and specified by INDYCAR by bulletin. The Member assumes the risk of noncompliance. It is not necessary for a competitive advantage to be gained to constitute a violation of these Rules.

1.1.2. INDYCAR Authority

1.1.2.1. The Rules shall be applied, constructed, and interpreted by INDYCAR, and INDYCAR's application, construction, and interpretation shall be final and binding.

1.1.2.2. INDYCAR reserves the right to create and/or revise the Rules at any time, including, without limitation, prior to or during an Event. Notices, bulletins, supplementary Rules, regulations, and penalties are effective on the date and time issued, regardless of the date and time when a Member receives actual notice.

1.1.2.3. INDYCAR shall have the right to enforce the Rules, including the rights to impose and/or remove penalties for any violation of the Rules. INDYCAR may penalize any Member and/or exclude any Member or equipment from any Event if INDYCAR deems any act, any omission, any condition to be hazardous and/or not meeting the specifications, requirements, spirit, illustrations, and/or intent of, the Rules.

1.1.2.4. INDYCAR shall have the right to determine whether or not to make public a notice stating that INDYCAR has penalized any Member and/or rendered a judgment on a review and/or appeal. If published, the notice may include without limitation a description of the penalty or judgment and names of the affected Member(s).

1.1.2.5. INDYCAR shall also have the following rights: (i) to authorize and supervise Events of any kind; (ii) to render decisions concerning the Rules and Events; (iii) to grant, approve, refuse, enforce or withdraw Licenses, memberships, and sanctions; (iv) to assign and cancel dates for Events; (v) to appoint and rescind the appointment of Officials; (vi) to establish, interpret and enforce standards of eligibility for participation in Events; and (vii) to do any and all things which, in its judgment, are consistent with the enhancement, safety and/or integrity of the Events. INDYCAR also reserves the right to take whatever action and/or impose whatever penalty it deems necessary to maintain the integrity and safety of INDYCAR, the Indy Lights Series, and/or its Events.

9. PENALTIES

9.1. General

9.1.1. INDYCAR may penalize any Member for any violation of the Rules. If an Official observes or is made aware of an act or omission by a Member that constitutes a violation of the Rules, the Official shall promptly report the violation to INDYCAR. INDYCAR shall consider the report and shall conduct whatever additional inquiry it deems appropriate under the circumstances. After concluding the inquiry, INDYCAR shall determine whether disciplinary action is appropriate and if so, what disciplinary action should be taken. The Member shall be informed of the determination and if disciplinary action is imposed, INDYCAR shall issue a penalty notice to the Member specifying the violation, a brief statement of the circumstances of the violation and the penalty imposed. If the act or omission of a Member is determined by INDYCAR to constitute a threat to the integrity or safety of INDYCAR, the Indy Lights Series or to the orderly conduct of an Event or to constitute a violation during an Event, INDYCAR may take immediate action against the Member.

9.1.2. The Race Steward(s) and/or Race Director shall monitor violations of the Sporting Regulations of the Rules during Qualifications and/or Races. The Race Steward(s) and/or the Race Director may request a Review at any time. Each official votes for or against the issuance of a penalty, a majority vote determines if a penalty is issued, and the individual votes are not released or made public. Once this determination is made, the Race Steward(s) and/or Race Director shall determine the severity of the penalty from the Penalty Guidelines developed by INDYCAR based on majority vote. An Official will notify the Race Director who shall advise the Competitors and broadcast/media of the determination and/or penalty either: (i) "Car # ___ was under Review and no further action is required" or (ii) "Quoting Rule # ___ and Car # ___, the penalty is issued."

9.2. Scope of Penalties

9.2.1. Penalties for violations of the Rules are divided into two categories: Race Procedure penalties and non-Race Procedure penalties. Penalties are determined by the gravity of the violation and its impact on the fairness of competition, the orderly conduct of the Event and the interests and integrity of automobile racing, INDYCAR and the Indy Lights Series. INDYCAR shall have the authority to impose any or all or any combination of the following penalties against any Member for any violations of the Rules at any time.

9.2.2. Race Procedure Penalties – Violation of Race Procedures generally result in penalties imposed during on-Track activity. If circumstances do not permit a penalty to be served during on-Track activity, INDYCAR shall declare the results provisional and subject to examination which shall take no longer than one (1) hour after the displaying of the checkered flag. This examination is independent of the Competitor's requirement to pass post-Race technical inspection. If the imposition of a penalty is near or at the end of the on-Track activity and the Driver/Car does not fulfill it, INDYCAR may reposition the Driver/Car in the posting of results. Additional penalties may be applied to subsequent on-Track activities to reflect the fulfillment of the penalty. Except as provided in Rule 10.2.1, the penalty, including without limitation any repositioning in a posting, is non-reviewable and/or appealable.

9.2.2.1. Black Flag – INDYCAR may impose black flag penalties.

9.2.2.2. Laps – INDYCAR may impose lap penalties. Lap penalties shall be imposed in complete laps only. The imposition of a lap penalty shall result in the removal of official credit for the specified number of penalty laps from the total laps credited to the Competitor and the scoring records and all points and awards shall reflect the removal of penalty laps.

9.2.2.2.1. If the lap penalty is imposed during the on-Track activity, the removal of official credit shall begin with the Competitor's lap in which the violation occurred and shall include subsequent consecutive laps, as determined by INDYCAR.

9.2.2.2.2. If the lap penalty is imposed after the on-Track activity is completed, INDYCAR shall determine, based on the severity of the violation, whether the removal of official credit shall begin with the Competitor's last lap and include previous consecutive laps as required, or begin with the Competitor's lap in which the violation occurred.

9.2.2.2.3. INDYCAR shall make a reasonable effort to notify the penalized Competitor of a lap penalty at the time it is determined. However, failure to notify the Competitor during the on-Track activity will in no way mitigate or change the penalty.

9.2.2.3. Time – INDYCAR may impose time penalties as described below. The imposition of a time penalty may result in the removal or addition of the specified amount of time to the Competitor and the timing and scoring records and awards shall reflect the removal or addition of time.

9.2.2.3.1. If the time penalty is imposed during a subsequent on-Track activity, the time shall be removed from the Entrant's Open Test or Team Test, practice session and/or Qualifications period. The time penalty must be fulfilled when directed by INDYCAR. The time penalty begins when the Member, the Member's Car and Entrant personnel are in Pit Lane.

9.2.2.3.2. If the time penalty is imposed during the current on-Track activity, time shall be removed or added to the Entrant's overall time on the official posting.

9.2.2.4. On-Track Repositioning – INDYCAR may impose a repositioning penalty during on-Track activities. The repositioning penalty will result in an order change of the Car's on-Track position. The recipient of the repositioning penalty may not pit until a Green Condition occurs, unless approved by INDYCAR.

9.2.2.5. Starting Lineup Repositioning – INDYCAR may impose a Starting Lineup penalty. A Starting Lineup penalty is repositioning of an Entrant in the Starting Lineup. If a Starting Lineup repositioning penalty is announced, the recipient of the repositioning penalty may not pit until a Green Condition occurs, unless approved by INDYCAR.

9.2.2.6. Disqualification – INDYCAR may disqualify the Member. Disqualification shall entail the loss of any right to compete in the remainder of the current Event from the time at which the disqualifying condition first occurred. It may entail the forfeiture of Entry fees paid or payable and INDYCAR shall determine, based on the severity of the violation, whether or not the disqualification includes the forfeiture of points and awards earned up to the moment at which time the infraction for the disqualification first occurs.

9.2.3. Non-Race Procedure Penalties – Violations of non-Race Procedures generally result in penalties imposed during off-Track activity. Penalties are reviewable and/or appealable except as provided in Rule 10.2.2.

- 9.2.3.1. Additional Appearances and/or Meetings** – INDYCAR may require a Member to attend and actively participate in appearances and/or meetings in addition to those required of the Member, other Members, pursuant to the Rules and any other agreements. INDYCAR may specify the due date for completion. Failure to attend and/or participate by the due date may result in reinstatement of the monetary fine if a monetary fine was imposed, or additional penalties as determined by INDYCAR.
- 9.2.3.2. Monetary Fines** – INDYCAR may issue monetary fines and specify the due date for payment. Unpaid fines may be deducted from any awards payable by INDYCAR to the Entrant or Manufacturer associated with such Member. INDYCAR may suspend or refuse to approve the renewal of the License and/or membership of any Member failing to timely pay any fine during the period the fine remains unpaid.
- 9.2.3.3. Probation** – INDYCAR may place a Member on probation. Probation is a state of limitation upon a Member's privileges. During probation, a Member is under heightened scrutiny and the Member can be required to abide by specified standards of conduct that are more stringent than those which are otherwise applicable to Members under the Rules. If a Member violates probation, the Member is subject to a more severe penalty as determined by INDYCAR. INDYCAR shall determine the duration and conditions of probation, which may include any combination of penalties set forth in Rule 9.2.
- 9.2.3.4. Suspension** – INDYCAR may suspend a Member. A suspension may be total suspension from INDYCAR, or it may be limited to a suspension of membership or License privileges at a Race Location facility or facilities, or for a particular Event or Events, or for a specified or indefinite period of time. Unless expressly limited, a suspension shall entail the loss of any right to take part in any capacity whatsoever in any Event or Events included in the suspension. Unless otherwise stated, individuals under suspension will not be issued credentials of any kind for an Event and the privileges and uses of the Track, pit area, garage area and other restricted areas will be denied. Every suspended individual shall return all credentials and/or Licenses to INDYCAR who will not return them until the term of the suspension has expired. Any delay in surrendering the credentials and/or Licenses may be added to the term of the suspension. If the suspended individual does not return the credentials and/or Licenses, the credentials and/or Licenses shall be inoperative and invalid until the lifting of the suspension and the Member may be subject to additional penalty for failure to return the credentials and/or Licenses. Suspension may also render void any previous Entry made for any Event occurring during the term of such suspension and may entail the forfeiture of any applicable Entry fees paid or payable for any such Entries. INDYCAR shall have the right to reduce, increase, or otherwise modify the unexpired term of a suspension issued under the Rules.
- 9.2.3.5. Loss of Points and/or Awards** – INDYCAR may rule that a Member who violates the Rules will forfeit all or a portion of the points and/or awards earned in that year, including points and awards earned in the Event in which the violation occurred.

9.3.6. Gambling Policy – Members have a duty to act with integrity and to protect the integrity of INDYCAR. Gambling involving INDYCAR creates risk to this integrity. Members shall not direct, cause, facilitate, assist or enable others to engage in activities prohibited by this Rule and shall not participate in prohibited activities through an agent or other intermediary. A Member shall cause all individuals who are in the Member Group to adhere to the requirements of this Rule to the same extent as a Member, and a Member shall be responsible for violation of this Rule by Member Group.
